ZephyrCore Founding Friends Pricing - Offer Terms

1. **The offer.** The first 100 customers to start a monthly subscription to ZephyrCore™ Antioxidant (one bottle, 60 vegetarian capsules, 30 servings) receive Founding Friends Pricing of $69 per month, plus applicable sales tax, with free standard shipping.
2. **How spots are counted.** Spots are assigned in the order subscriptions are successfully placed and paid. The offer closes automatically when the 100th subscription is placed. We will not add spots after that.
3. **Your rate is locked.** Founding Friends keep the $69 monthly rate for as long as their subscription stays active. We will not raise this rate while you remain subscribed.
4. **Price after the spots fill.** Once all 100 spots are claimed, new monthly subscriptions will be $89 per month.
5. **Billing.** You are charged $69 plus applicable tax today, then automatically every 30 days on the same payment method until you cancel. Each charge ships your next month's supply with free standard shipping.
6. **Pause or skip.** You can pause or skip a delivery from your account at any time. Pausing keeps your Founding Friends rate.
7. **Cancel anytime.** You can cancel online at any time from your account at everwildapothecary.com, or by emailing support@everwildapothecary.com. Cancel before your next billing date to avoid that month's charge. There are no cancellation fees.
8. **If you cancel.** Cancelling ends your Founding Friends rate. If you subscribe again later, the current subscription price will apply.
9. **Other offers.** Founding Friends Pricing cannot be combined with other discount codes and is not transferable.
10. **Changes to the product.** If we ever change your subscription's contents or terms, we will email you at least 30 days before the change takes effect.
11. **Questions.** Contact us at support@everwildapothecary.com.
